

SEEN, HEARD AND TOLD

(By Andrew Whitaker)

A fellow asked me the other day, "why haven't you been getting some of the VFW's membership drive advertisement?" I told him that I didn't know, and that I am a charter member of that organization, too.

We are, this week, indebted to the Glines over at the Sentinel-Star for the use of the big cut of Mary Elizabeth McNeil, shown to the right.

I thought that the cold weather we have been having would slow down fishing. It hasn't.

Cliff Hamby, Sr. was seen at the spillway the other day. Also Bob Hall.

About half of Gore Springs, Clifford Marter, Roy Chamberlain, Jack Clanton and other were out there Tuesday.

Cattfish, weighing up to 18 pounds, are being caught out of Grenada spillway.

These bait shop operators ought to be getting rich!

Remember duck season starts Monday, Nov. 7th. Better get your stamp today.

Mr. and Mrs. Joe Pressgrove of Memphis attended a reunion at Cassilla last weekend.

Mr. Jim Cuff paid up the other day.

We are sending out a lot of subscription statements this week. If you get one, and have already paid up, please don't get mad. Just let us know and we will straighten it out.

A list of the election officials for the General Election on November 8 is listed elsewhere in this issue.

A large vote is not anticipated in this election!

See where Mr. John E. White, long time mail carrier of Grenada Route 2 has retired from service.

We understand that Brother A. L. O'Brian is in a critical condition at Grenada Hospital. We are all pulling for this fine old gentleman.

I guess the GCW is about the best coffee-customer that Brister has. I believe our man Fred can drink 20 cups a day. That is, if someone else pays for them.

Be sure to see the final game for the Grenada Pee Wee football team Saturday morning at Proby Field. They will play the Greenwood Pee Wees.

The Grenada High Bulldogs will be host to Winona Friday night at 8 at Proby Field.

Saw a nice picture of The Grenada Bulldog's fullback, Shafer Spence, in the CA Wednesday morning.

Mrs. Durrow Horn is about the most ardent fisherwoman in Grenada.

Gene Beard reports catching some nice bass out of Black Hawk recently.

The Baptists must be satisfied with Brother Landrum. He has been their pastor for three years now.

The Episcopalians seem to be very pleased with their new Rector, Rev. Mike Engle.

The fishingest preacher in Grenada is Bro. Gammill. I believe he fishes every day except Sunday.

It certainly has been a lot of traffic accidents in this part of the state recently. I still believe that everyone who drives an automobile should take a drivers test once a year.

Bud Chaplins is still single!

John Bradley's many friends will be glad to hear that John is getting along fine at Kennedy, in Memphis. John has nothing but praise for the treatment he has received there, according to Gene Beard, who got a letter from John the other day. We miss John's almost-daily visits on Green Street.

Shorty Jones, Carroll County Gold-Constor, was seen in Grenada the other day. Shorty has the "Yellow Dog" out at the "line."

Ceremonies Honor Miss Mary

Elizabeth McNeil Sunday

On Sunday afternoon in an impressive ceremony, staged at the Girl Scout Camp Unit 1, located on Grenada Lake, the climax came when an oil painting of Miss Mary Elizabeth McNeil was unveiled by Josephine Dubard, daughter of Mr. and Mrs. David Young Dubard. Miss McNeil is a beloved leader and Girl Scout Director of Grenada County. She has worked long and earnestly for a suitable and beautiful, as well as practical camp for Girl Scouts.

The afternoon was perfect for the occasion. Bright sunlight slanted through the exotic autumn colors of the trees, and the view of the lake which mirrored the pines bordering the shore line added another beautiful scene to delight the spectators.

Mr. John Lake, president of the Girl Scout Campers of Miss, Inc., took part in the ceremonies. He is shown in the picture congratulating Mrs. Cecil Penn Cameron, chairman of the program, and thanked her for directing the ceremonies and the presentation of the painting. The lovely picture of Miss McNeil was made by Alexander Studio of Grenada. Mrs. Cameron's committee of arrangements included Miss Mae Caldwell, Mrs. Elizabeth Wolter, Mrs. Jones Allison, Miss Mary Ross, Mrs. P. G. Tollison, Mrs. R. H. Rhodes, Mrs. Henry Ray Jr., Messrs John Brewer, G. M. Moore and J. H. Oliver.

Mrs. Spivey Kent presented a Girl Scout medal of honor pin to Miss McNeil. This is the highest national honor award made to leaders of Scouts and will ever be treasured by Miss McNeil.

The out door program opened with Miss Jessie Brewer blowing the Call to Colors. Color bearers were Libby Lake, Diane Dubard, Jane Pulliam, Yvonne Nadeau and Martha Paye Williams.

During the flag raising ceremonies in front of the Unit House, the color guard of the National Guard stood at attention.

Ushers for the ceremonies were Maryhardy Bays, Glenda Bardwell, Martha Elmore, Mary Bess Parks, Phelan Houston, Carolyn Clark, Ga'e Tollison, and Becky Terry.

The Pledge of Allegiance to the Flag of the United States was given by the Brownies and Girl Scouts; Brownie flag bearers were Barbara Jane Dyre, Judie Lee Thorpe, Shirley Ann Evans, Glenda Morgan, Linda Smith, and Rosalyn Herbert.

Girl Scout Flag Bearers were Beatrice Pierce holding a world flag; Lassie Cooke, Judy Sweetland, Josephine Gant, Josephine Neely, Paula Page, Tena Pepper and Martha Grant.

Honor guard to Miss McNeil were Josephine Dubard, Ann Allison, Judy

Bond, Josephine Lake, and Edna Jackson Campbell.

Rev. Felix Sutphin, pastor of the First Methodist Church gave the invocation. Mrs. Cecil Cameron opened the formal program in the Unit House where the oil painting is hung.

The Girl Scouts from eleven counties were represented, coming here from Leflore, Montgomery, Tallahatchie, Sunflower, Yalobusha, Humphreys, Coahoma, Lafayette and Grenada counties.

Miss McNeil is operational chairman of the camp which these counties have an interest.

Recently when visiting the newly finished and furnished Unit No. 1 on Cedar Point, Miss McNeil was very appreciative of the gift to the Scouts of fine cypress lumber used in the construction of the house, a gift from Charlie Cathey of Memphis, a former Grenadian. More houses or units will be constructed and as the years go by more and more Girl Scouts will enjoy vacation trips to beautiful Cedar Point on Grenada Lake.

Over 1,000 people attended the ceremony on Sunday afternoon October 30, 1955.

We hope that Unit No. 1 will be called the Mary Elizabeth McNeil House. She has worked faithfully, inspired by the desire to help all young girls.

Heads Kiwanis Club

John M. Brewer of the Brewer Motor Co. was elected president of the Grenada Kiwanis Club Tuesday.

Other new officers are: first vice president, Billy McMaster; second vice president, Ed Neely; secretary, Chick Lockett; and treasurer, Jack Sanderson. Directors are: Harold Biddy, Bob Carlson, Clarence Holloman, Thurman Oliver, William Peters and Gayle Wilborn.

It was announced that Kiwanis Club night program, to which wives would be invited, will be Tuesday night, Nov. 8.

Rev. Landrum Observes Third Anniversary Here

Dr. John Landrum is this week

observing his 3rd anniversary as pastor of the First Baptist Church. He began his duties on November 1st 1952.

A great deal has been accomplished under his leadership. The hand, some three storey education building has been erected, the main auditorium of the Church has new beautiful stain glass memorial windows. Interior decoration and furnishings are either new or renovated.

The membership is greatly increased, since Rev. Landrum began his pastorate here. 509 new members have been added, of which 164 members were added by baptism.

Sunday School enrollment increased from 1120 to 1435 members.

Training Union enrollment increased 181 to 365. Every phase of the church shows gained strength and growth, and members of the First Baptist Church are proud to honor Rev. Landrum.

He with his wife and two sons, have also added greatly to the civic and social life of Grenada.

Rev. Landrum is now engaged in preaching a series of sermons each Sunday, on the message symbolized in the beautiful stain glass windows. The church properties, including the pastor's home, is valued at about half-million dollars.

Blackwood Brothers At Eupora High School November 8

On Tuesday night, November 8 the Blackwood Brothers, America's most popular Quartet Team, will appear in concert in the Latham Auditorium, Eupora High School.

The appearance of this famed four is sponsored by the Seniors of Eupora High. Program states at 8 p. m.

W. S. Van Osdel, 97, Dies Here

Walter Stanley Van Osdel, Grenada

Grenada County's oldest white man, died at his home on College Blvd. Wednesday night, Oct. 26, 1955 at the age of 97 following a stroke on Saturday.

He was born on March 30, 1858 in Millington, Ill. to the late Margaret Corliss Bates Van Osdel and the late James Monroe Van Osdel, both natives of Dutchess County, New York. On his paternal side, Mr. Van Osdel was descended from Dutch stock who emigrated to the United States in 1653. Their name was spelled Arsdale originally. His mother's people, whose name was originally spelled Beets, came to this country from England in 1648.

Mr. Van Osdel met his wife, then a teacher, when he was attending Chicago University on a scholarship and they were married in 1889. They lived for a time in Jackson, Tenn. and moved to Booneville, Miss. in 1893. In 1895, they moved to Grenada County where Mr. Van Osdel engaged in the manufacture of lumber, which was plentiful then.

He was a Baptist and a deacon in the First Baptist Church here for many years. He also sang in the Mens Quartet at the church. He continued his interest in singing until very recent years. He also loved reading and gardening.

He had five sisters and four brothers who preceded him in death. His wife, the former Miss Julia Ellwood Tierney, passed away September 1, 1949.

Surviving are: two daughters, Mrs. Edith Guidry who made her home with her father and cared for him; Miss Jessie Van Osdel, professor at Holmes Jr. College, Goodman; two grand-daughters, Mrs. G. C. (Pete) Perry of Jackson and Mrs. Fritz Cox of Pensacola, Fla. and four great grandchildren, Margaret Marie Cox of Pensacola and Edith Louise, George C. Jr. and Gertrude Ray Perry all of Jackson, Miss.

The funeral was held at 3 p. m. Friday at Garner Brothers Funeral Home with Dr. John Landrum, pastor of the First Baptist Church, officiating. Burial was in Odd Fellows Cemetery. Pallbearers were: Wallace Sherwood, O. R. Lilly, Lynn Williams, Charles Calhoun, Lee Spain and Earl Dennis.

Two Persons Killed In Wreck Here Last Friday

Two persons were killed and one critically injured in an automobile accident Friday morning just South of Whitehaven Drive-In Theatre on Highway 51.

G. R. McCall, 56, owner of A and M Truck Stop, located near Elliott and Barbara Wilson of 247 Railroad Avenue, colored employee at the truck stop were killed, and Roski Tillman Grant, also a colored employee on the night shift was taken to Grenada Hospital where her injuries were listed as serious.

It is reported that Mr. McCall was driving a 1950 Buick north on the highway around 5:45 Friday morning when the car and a truck driven by A. C. Williams, colored, of Sledge Miss., collided. The truck was pulling a lowboy trailer. Williams was not injured. Mr. McCall was taking the Negro employees home from their duties on the night shift.

Funeral services for Mr. McCall were held at Garner Brothers Funeral Home Saturday afternoon at 3:30 with the Rev. John Landrum officiating. A Masonic service was conducted at Woodlawn Memorial Park.

He leaves his wife of Grenada and a daughter in Arizona.

James Edward Mayhan, 10, Is Accident Victim

James Edward Mayhan, 10 years old son of Mr. and Mrs. James Howell Mayhan was pronounced dead upon arrival at Grenada Hospital Friday evening, October 23, after being hit by a car driven by George M. Hammitt, III, son of Mr. and Mrs. G. M. Hammitt who reside in the Grenada Lake Area. The accident occurred at or about 5:45 p. m.

James was born May 30, 1945. He was a member of Emmanuel Baptist Church of Grenada; and was a pupil in the Elementary School here.

Rev. Harry Kellogg officiated at Zion Baptist Church near Eupora, and burial was in the church cemetery on Sunday afternoon.

To both the saddened homes, to Mr. and Mrs. Mayhan and to the Hammitt family we extend sympathy.

J. E. White, Rural Mail Carrier Retires

Mr. John E. White, rural carrier Route No. 2, at Grenada post office retired at the expiration of service on October 31, 1955. He had been a regular carrier since August 21, 1918.

In the presence of fellow-employees Mr. White was presented an Honorary Certificate, for honorable and faithful service, by Postmaster Donald Sharp for the Post Office Dept.

Mr. White was also presented a fine leather brief case, as a token of friendship and esteem, by Mrs. Cora T. Greory for the Grenada post office employees.

Mrs. J. E. (Bessie) White, the bonded substitute carrier, was placed in charge of the route as temporary carrier as instructed by the Post Office Department.

"CAR FOR LIFE" CONTEST SPONSORED BY DODGE

Jack W. Minor sales manager in charge of advertising for Dodge Div., Chrysler Corp., announced October 31st to November 28, dates for securing application blanks which will be available at all Dodge dealers for those who wish to enter the "Car For Life" contest.

Newspaper ads in nearly 4,000 newspapers will give details of this unique contest, which is termed the "greatest safety campaign in history".

Four lucky motorists will receive a new car every year of their lives, and eight "runners up" will receive a new 1955 Dodge. Vance Motor Co. is Dodge dealer in Grenada.

Friend of Man

Lesson for November 6, 1955

PEOPLE describing themselves have a tendency to paint themselves handsomer than they really are. They do not like candid-camera shots of themselves. Even when a man has to admit that he has committed a sin or made a mistake, he will try to tell himself his motive was good, anyway. Now Jesus' self-portrait was extremely impressive, but nobody ever called him a hypocrite or a show-off. What Jesus had said of himself in the Nazareth synagogue was just the simple truth. Dr. Foreman he was indeed the same kind of Friend of Man that God is. He made humanity his business.

Healing Bodies

One fact stands out, and Luke makes a great deal of it. Jesus was a healer. He never assumed that sickness or physical disability "is bound to be." He thought people's bodies were important enough to be sound and well. He never thought of himself as so "spiritual" he could be indifferent to people's physical needs and pains. Wherever he went, he brought health with him. We do not fully understand how he did this, but the Christian church has taken the cue from Jesus here. The tremendous development of hospitals in America and over the world is not today all in the hands of Christians or religious people; but it was religious people who started this kind of thing. The church of today is beginning to see how much harm another kind of illness does, and to work at curing mental diseases. Compare a Christian country like ours with a non-Christian country like Korea where the total Christian population is less than six per cent. There a cripple has ordinarily been something to laugh at. No one would give him a job, no one bothered with him. All he could do was beg, as he crawled or sat in the dust. Now, Christian hospitals there have been doing a work the heathen world never thought of, rehabilitating amputees, making it possible for them to be self-respecting persons again. Christianity is teaching Korea a lesson. Where once diseases of all sorts were taken as a matter of course, Christian doctors and hospitals have shown the way to national health.

Healing Souls

Some people think that if a man is healthy that is enough. If a man's body is all right, he is all right. Christians know better—because Christ has shown us. Jesus did not think he had done all he could for a man if he got him on his feet, literally. Long before modern medicine rediscovered the fact, Jesus knew that men's most serious diseases are in their souls. He was the Friend of Man—but not friend of their bodies alone. Hospitals today are more and more making use of chaplains, of counselors—and that is another Christian idea. In every mission hospital the medical missionary is an evangelist too.

What Friendship Means

To Jesus, friendship meant something deeper than what often goes by that name. How many people are "friends" only with the strong, the successful? How many people will be friendly only to those who can give them a lift up the ladder of ambition? This is the friendliness of a mosquito, who will stick close to you, but not with any notion of doing you good. Then again, a common idea of being friendly is to take other people without criticism, take them as they are. A word much in use with psychologists, psychiatrists and counselors nowadays is "acceptance." Now Jesus accepted all kinds of persons who were by everyone else rejected—lepers, tax collectors, the "lower classes," foreigners. But while Jesus opened his heart to these people, in the very act of acceptance he changed them. Some "friends" are like chameleons that take the color of whatever they lie on. Jesus never changed his own colors. He was the friend of sinners, indeed; but by being their friend he led them out of their sins. To be Christlike in friendship is to have a goodness that is contagious.

"Time and tide waits no man" is an old adage and a true saying. We never knew before television, just how much could be done in 45 seconds. Bud Colyer has a show called "Beat The Clock" and he gets people to do all kinds of crazy things in a few seconds in an effort to win prizes. We have quit looking at the thing because of the tenseness the little bit of time causes. Not until television did we realize the value of one or two minutes of time. Some business firms pay a fee of around \$400 for a 30 second commercial and that rate would be really expensive if expanded over an hour or two, so they have all the words written out in a script and all weak and unimportant words are eliminated so they can do the most persuasive message possible in a few seconds. We choose our words carefully and cut down on them. Well, this we know. Public speakers, lecturers and preachers are finding their audiences a little less patient with uninteresting talks and (continued on page 7)

The Not-So-Good Old Days

Back in the so-called "good old days," things were different. If you had either diabetes or pernicious anemia, your days were numbered. Since there was very little protection against the ravages of epidemic diseases, the average life expectancy was about fifty years.

Today your life expectancy is about sixty-five years, and it is increasing approximately six months each year because of medical progress.

We are proud of our contribution to present-day medical care.

W. K. Pierce Heads County Oil Group

W. K. Pierce of Grenada was elected chairman of the Grenada County Petroleum Industries Committee for 1955-56 at a meeting held Sunday night at the Central Cafe.

The Grenada organization is affiliated with the Mississippi Petroleum Industries Committee, a state-wide organization of wholesale and retail oil dealers whose objective is "fair and equitable taxation of their business and their customers."

Walter D. May, of Jackson, Executive Secretary of the State Committee, discussed the heavy tax burden on the highway users and how the tax money is allocated to the different road systems. He pointed out that the Federal Automotive excise taxes alone produce over 2½ billion dollars annually for the Federal Treasury.

He said: "All public officials should give thought to the tremendous amount of revenue produced at all levels of government and to the hundreds of thousands of jobs provided by the ownership and operation of motor vehicles. Care should be taken that ever increasing taxes do not restrict the ownership and operation of motor vehicles."

"Anyone who will take time to add up the taxes levied on the ownership and operation of motor vehicles, the high seven-cent per gallon state gasoline tax, license tag fees, driver's licenses fees, federal gasoline and automotive excise taxes, ad valorem tax, sales taxes and other direct and indirect taxes cannot help but realize that the ownership and operation of motor vehicles will soon be restricted to only the wealthy unless the present trend is reversed."

Other officers elected at the meeting were: C. R. Morgan of Grenada, vice-chairman; and Mrs. Mary Lou Jones of Grenada, secretary.

Agri. Extension Personnel To Convene In Jackson

The annual meeting of some 450 County Agents, Home Demonstration Agents and other workers of the Agriculture Extension Service will be held November 7 to 9 at the Robert E. Lee Hotel in Jackson, according to Dr. Clay Lyle, director.

A similar meeting for over 100 Negro Extension workers will be in progress at the same time at College Park Auditorium, Jackson.

State Extension Administrators assisting Dr. Lyle in leading the conference will be M. S. Shaw, associate director and Miss Earle Gaddis, State H. D. Agent.

On Sunday there will be a meeting of Epsilon Sigma Phi, National Honorary Extension Fraternity.

On Monday the Miss. Association of County Agricultural Agents will hold its meeting with a recognition banquet arranged for Monday evening at the Heidelberg Hotel.

Tuesday will be filled with lectures on farm problems. It is of interest to Grenadians that Earl Johnson, a former citizen of Grenada, now editor of Scott County Times, is a guest speaker.

The official group from Grenada to attend includes C. O. Sennett, Co. Agt., Don Skelton, assoc. Co. Agt., Ray McGee, assistant Co. Agt., Miss Bervil Elder, H. D. Agent. The four ladies who won honors in the dress making and style show recently, Mesdames R. F. Field, Forest Breazeale, R. C. Haley and R. P. Rogers, Sr.

The Farm Bureau group will be headed by E. H. White, president, and J. W. Willis Sr., membership chairman.

Negro Agents To Attend

The colored county agent, Earl H. Ammons and the colored Home Demonstration Agent, Willie Latham Taylor will attend.

Their meetings begin Nov. 4 and 5, and next week will be in session Monday thru Thursday the 10th. The Colored Council, scheduled to meet Nov. 5 in Grenada has been postponed to Sat. Nov. 12.

A number of Farm Bureau members both white and colored, plan to attend part or all of the meeting.

Pee Wee and B Teams Defeat Charleston (By Hugh Ketchum)

Grenada won both ends of a double-header football game from the Charleston teams Thursday night at Proby Field, the Pee Wees winning 12 to 6 and the local B team winning 21 to 12. Both games were crammed with excitement as Grenada came back late to win in each battle.

The Pee Wees scored in the last minute of play to edge the Tallahatchie Pee Wees with Wayne Gaines plunging over from the two after he had completed passes to Bud Sprayberry, Douglas Parker and Johnny Milam. Forty nine second was left in the game when Gaines went over to break a 6-6 deadlock.

Grenada had scored in the first half on a 15-yard pass from Gaines to Milam, but an off-side penalty nullified Loyd Jackson's successful

extra point try around left end. The local Pee Wees made two drives with the Charleston 30 before pushing it over to take a 6 to 0 halftime lead. In the second half Grenada drove to the 10 then Charleston took over and made a sustained drive all the way with the fullback scoring from the three. The game remained tied until the last 40 seconds of play.

B Team Rallies

The local B team trailed Charleston 12 to 0 at the half but put on a spirited second half rally to count three times and take a 21 to 12 verdict. John Criss, John Carter and Buddy Lott scored the Grenada touchdowns. Charleston scored twice in the second period, once on a sustained drive then on a 70-yard return of a pass interception just before the half.

It was the final game of the season for the B team. The Pee Wees will close out Saturday morning at Proby Field when the Greenwood Pee Wees invade.

Bulldogs To Be Host To Winona
The scheduled Little Ten game between Aberdeen and Grenada last Friday night at Aberdeen was postponed because of inclement weather and will be played Tuesday night November 15.

This week the well-rested Grenada Bulldogs will be host to the Winona Tigers, second-place team in the Delta Valley Conference, Friday night. The game will mark the first meeting of the two schools since 1947 when both teams were members of the old North Central Miss. Conference.

Since Winona last appeared on the Grenada schedule the Montgomery County school has come to the front in North Mississippi football circles, spawning two consecutive Delta Valley championship teams. This season only a one-point loss to Leland in the opening game of the season mars the Winona record and the Tigers have gained momentum as the season progressed. In the meantime a young and inexperienced Grenada team has shown steady improvement in winning three of six Little Ten engagements.

Coaches Bob Ellard, Jerry Taylor and Pap Hamby hope to have the Bulldogs at top shape for the Friday night battle which is expected to attract the largest crowd of the season. In Grenada's last outing, they won

over Oxford 33 to 12, while Winona ran over Belzoni, 33 to 13, Friday night.

One Day Drivers School

Mr. O. E. Boyd will be the instructor at a School Bus Drivers School held on Saturday, November 5 at 10 a. m. at the Court House in Grenada.

To qualify to become a school bus driver one must be 17 years of age or over, and must have attended a qualified school of instruction such as the one to be held Saturday.

All those interested in School Bus driving are urged to attend this one day school.

**Best
Buick
yet**

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score.

In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the

air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it.

For here is performance without parallel. A new advance in Variable Pitch Dynaflo* goes airplanes one better—steps up your getaway in normal driving without flooring the pedal to switch the pitch. But when you do need that extra surge, it's there instantly—and in extra abundance.

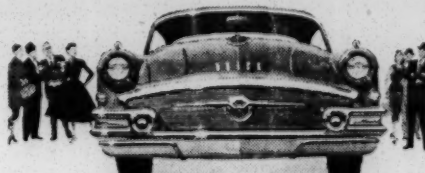

The might of big 322-cubic-inch V8 engines in every Series brings new record high power to

all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

MEMPHIS MUSICIANS FEATURED AT JR. AUXILIARY LUNCHEON
Highlighting the social events of a happy Halloween holiday season in Grenada was the annual Junior Auxiliary Luncheon honoring the new provisional members, which took place on Thursday at 1 p. m. at the Monte Cristo.

The honorees were seated at the President's table, which was centered with a festive giant jack-o-lantern holding colorful fruit. Arranged attractively on this table were fall flowers and eaves, miniature gleaming jack-o-lanterns and black candelabra holding pumpkin shaded glowing tap

ers. Quartet tables, where the members were seated, featured the small luminous jack-o-lanterns, autumn flowers and fruit, which carried out the Halloween motif.

Following the 3 course luncheon an unusual program of music was presented by two Memphis artists of the Idlewild Pre-byterian Church Miss Sue Vandiver, soloist, and Mr. Thomas Webber, organist. In a charming manner, the talented Miss Vandiver told an appreciative audience of her recent trip abroad in musical fashion. Ably supported by Mr. Webber at the organ, she briefly outlined her visit to the different countries and rendered songs which pertained to other country under discussion.

Guests of honor, who were colorful corsages, gifts of the chapter members, were Mesdames Joe Williams, Glen See, Curlee Boone, Jay Gore, Jr. Thomas Bell, Hugh Netchum, Herbert Spain.

Another stirring and blind selection brought forth No. 182, which is the number of another Grenada colored man, Wardel Brown, Star Rt. 1. Before 10 capsules had been drawn, No. 105 showed up and this number belonged to T. J. Marter, Jr., Rt. 2

Sweatman, but living in Eastern Grenada County.

The draft board in Grenada is composed of John T. Keeton, Sr., chairman, O. L. Kimbrough and S. A. Weir. The attorney is Marshall Perry; examining physician, Dr. J. S. Sharp; clerk, S. H. Horton, assistant clerk, Miss Bowen and draft headquarters over Fatheres Drug Store.

It looks like divorces have slacked up here lately. Even if a wife is often a cranky liability under ordinary circumstances, she now becomes a real asset in evading the draft.

George Wood, editor of Winona Times wa in Grenada Tuesday and reported that 7 per cent of the people of Montgomery County were on relief, and that if they did not get the Food Stamp Plan in operation they were blown-up peckerwoods.

Grenada County's quota is mighty high but we are not saying how high.

TOWN TALK

(continued from page 2)

I was in that kind of profession I'd be one of the first to start cutting out unimportant and unnecessary words and get to the point as soon as possible because the old TV set is proving by example that when you really have something to say, 30 or 40 seconds is often times long enough.

The other night we talked by telephone to San Francisco, California. Californians dislike for us to say "Frisco" and we placed a little 2-minute hour-glass before us as we talked, and although we drained the sand more than six times as we talk-

ed with our daughter, her husband and both little girls, we could have had quite a little visit with many words in just 3 minutes. To plug the wonderful service and facilities of the telephone companies, where could anyone spend a few dollars that would warm your heart more and make one happier than to talk to your loved ones across the nation over the telephone? (No charge for that, Hugh Stanfill - I still say your services are among the greatest in the world.)

This intangible thing we call time still haunts me.

There are occasions when time drags . . . such as when you have a fever thermometer in your mouth . . . when standing on your head for an X-ray picture . . . while gripping the seat of a plane as it races down the runway for a take-off . . . while waiting for a telephone number while the line is busy . . . while standing in line in a cafeteria . . . waiting for a green light when in a hurry . . . while the dentist drills that back molar . . . waiting for the doctor at 4 a. m. — Then there are other occasions when time flies so swiftly . . . such as when talking long-distance at an expensive rate . . . while getting off to work in the morning . . . when visiting with good friends — like our infrequent and brief visits to Grenada, Mississippi . . . and there must be many occasions which you recall, but right now time flies as I try to finish this little piece by bed-

time on a Sunday night when the above day has flown so swiftly to another Monday morning.

Senator Stennis To Be At Duck Hill

Senator John Stennis, long an ar-

dent and faithful supporter of all phases of conservation, arrived this week from Washington for his annual county courthouse visits in every

part of the State. This year, our Senator is including in the first week of his rounds a special three-day inspection tour of conservation projects when he will observe first-hand the fine work of the various conservation groups in our area.

Senator Stennis, a member of the Senate Appropriations Subcommittee which handles funds for soil conservation and other agricultural activities, declared that recent surveys indicated 70 percent of tillable land in Mississippi has been seriously damaged by erosion.

"At the present time we are faced with surplus agricultural production," the Senator said, "but the increasing population of the country will, in the long run, impose new demands upon our farmers for food and fiber. Research people tell me this increased production must come from land already in cultivation as the possibilities for new land development is extremely limited."

"This fact points up the need for making maximum use of all available land. Soil erosion severely limits our production potential."

Pointing out that 22 million acres of land are included in Mississippi farms, the Senator said, "The State and the nation are extremely interested in the way these acres are used for the production and conservation of soil and water resources. I have been most favorably impressed with the progress already made in our Mississippi conservation program. I note with a great deal of interest the hundreds of acres once wasted and idle which have now been converted to productive pastures, and some to cropland."

"However, there still remain some several hundred thousand acres in a badly eroded and unproductive state. Through diligent treatment and careful use, some of these eroded acres can be brought back into profitable production. In fact, the large part of our cropland, pastures, and woodlands can be protected, improved

and made more productive by the application of sound conservation practices. Conservation workers in Mississippi are doing an outstanding job in developing a sound and desirable program. I know my tour here will be helpful to me and will give us all a better understanding of the growing need for this important program."

Today, Senator Stennis, SCD Commissioner, farmers, and conservation workers will tour Scott Branch, a small watershed, located just south of Eakridge, in Montgomery. The group will study the various soil and water conservation practices that are being applied in the watershed in an effort to check erosion and slow down run-off.

Prior to the tour, lunch will be served by the Montgomery County Soil Conservation District Commissioners on the O. W. Scott farm. Attending the tour from Grenada are Commissioners L. J. Doak, Clayton Carpenter, S. E. Gillon, Avert McElwath, Bogue Creek Committee, Glen See, B. W. McElwath, George R. Williams, R. R. Blue and P. R. Daly, Conservationists.

Christmas Seal Sale To Open November 16

On November 16, 1965 the Christmas Seal Sale will officially open. This Seal Sale is again being sponsored by the Pilot Club of Grenada. The Pilots are now busy stuffing envelopes with the colorful seal's. It's a big job getting out Christmas Seal letters, but the club members are proud to be associated with this effort to eradicate tuberculosis from Grenada County.

Miss Mary Ella Collins, Seal Sale chairman states that "with the support of every citizen, we may some day achieve the eradication of this disease which threatens so many homes." The Christmas Seal Letter is the TB Association's only appeal for funds to support programs aimed

at protecting our families against the tragic cost of TB. "The people of Grenada County have always given generously of their time and money to support the fight against TB," said Miss Collins.

To Our Many Friends and Relatives:

May we take this opportunity to extend our deepest heartfelt gratitude for the kind expressions and thoughtful deeds during our recent

bereavement. Even the sting of death was somewhat softened because of the sincere concern and helpful gestures displayed by those about us. May God bless each and everyone of you.

The families of Mr. and Mrs. J. M. Bryant and Mr. and Mrs. H. D. Carrington.

Mr. J. M. Bryant asked me to announce that he now has a telephone. His number is 1814.

Only in Ford...Y-8 power

After 23 years of building V-8's, after building more V-8's than all other makers combined, Ford now introduces the new 202-h.p. Thunderbird Y-8*—the successor to the conventional V-8. Whether you drive in mountains, on plains, or through city streets, instant-acting Y-8 power makes all your driving more fun! Also, this new Ford engine has a deep, solidly-built block. As a result, it's quieter, smoother-running—with a far greater life expectancy.

Only in Ford...Thunderbird styling

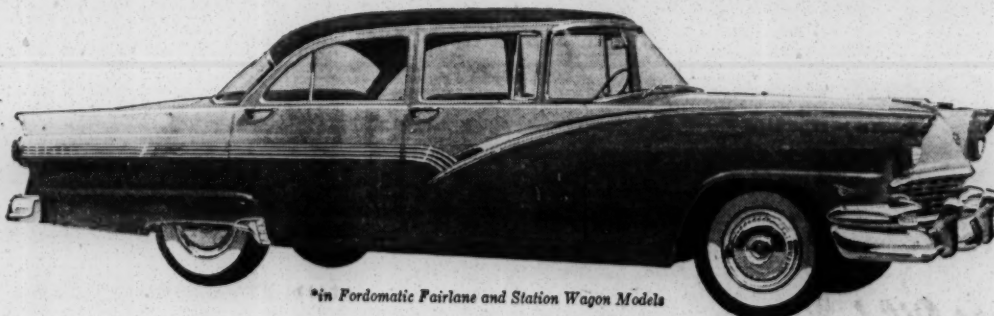

All 18 of the new '66 Ford models are styled like the Thunderbird. And like the Thunderbird, Ford has hooded headlights, jet-like taillights, a classic lattice-type front grille, and low-to-the-road stance. To match this modern exterior, Ford has created an interior décor that's right up to the last minute. You'll find glamorous upholstery fabrics (combinations including nylons, woven plastics, and vinyls) which are the textile industry's newest and proudest creations. You must see them.

Only in Ford...Lifeguard Design

Ford for '66 makes the first major contribution to driver and passenger safety in accidents: Lifeguard Design. Ford's new Lifeguard deep-center steering wheel acts as a cushion on impact—new double-grip door latches give added protection against doors springing open. You can have optional seat belts and padding for the control panel and sun visors. Put your family in Ford. You'll be thankful you did.
